

Confidentiality Policy

Sussex Clubs for Young People provides a caring, friendly and safe environment for all young people.

Anything you say to a member of our team will be treated in confidence.

Please understand that this is confidentiality within a professional setting.

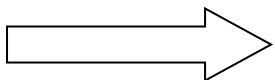

This means that a worker may need to discuss the matter with someone senior to them.

However, no further action will be taken without your permission

EXCEPT

Where you are in immediate danger or where no action will put someone else in immediate danger.

If abuse is reported or alleged, records will be made and shared in accordance with our Safeguarding Policy.

You can talk about...

Bullying
Concerns about a friend
Anything that worries you
How you feel physically
